EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL OF A LANDSCAPE MAINTENANCE SERVICES CONTRACT
WITH MARIPOSA LANDSCAPES, INC. FOR THE
SOUTH COAST BOTANIC GARDEN
(SUPERVISORIAL DISTRICT 4) (3 VOTES)**

SUBJECT

Request approval of a landscape maintenance services contract between Mariposa Landscapes, Inc., and the County of Los Angeles Department of Parks and Recreation, for landscape maintenance services for the South Coast Botanic Garden.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find the proposed action is categorically exempt from the California Environmental Quality Act.
2. Find that the recommended contract for landscape maintenance services for the South Coast Botanic Garden can be more economically performed by an independent contractor than by Los Angeles County employees.
3. Approve and instruct the Chair to sign a two-year contract with Mariposa Landscapes, Inc., for landscape maintenance services for the South Coast Botanic Garden, for an annual maximum contract cost of \$141,300 for two years with three one-year renewal options, for a maximum potential term of five years, and a maximum potential contract sum of \$706,500, not including contingency or cost of living adjustments, if any, to be exercised by the Director of the Department of Parks and Recreation, following Board approval.
4. Authorize the Director of the Department of Parks and Recreation to exercise the contract renewal options annually, if in the opinion of the Director of the Department of Parks and Recreation, the contractor has performed successfully during the previous contract period, the services are still required, and they continue to remain cost effective. Such renewal may include a cost of living adjustment, per option year, subject to approval by the Chief Executive Office.
5. Authorize the Director of the Department of Parks and Recreation to increase the South Coast Botanic Garden contract cost by ten percent during each contract year totaling up to \$14,130 for unforeseen services/emergencies and/or additional work within the scope of the contract, which could increase the total annual contract cost to a maximum of \$155,430 per year.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The private sector has been providing landscape maintenance services for the South Coast Botanic Garden since February 1986. This is part of the continuing effort on behalf of the Department of Parks and Recreation (Department) to provide the best possible service to the public.

The recommended contract is for landscape maintenance services for the South Coast Botanic Garden. The award of this contract is a part of the Department's continuing effort to provide the best possible service to the public in a cost-effective manner. The recommended actions are based upon a finding that an independent contractor can more economically perform the landscape maintenance services of this area.

On January 9, 2007, your Board delegated to the Director of the Department (Director) authority to execute and approve a landscape maintenance services contract to Accent Landscape, Inc., to maintain the South Coast Botanic Garden, for an annual maximum cost of \$118,822.71 for two years, with three one year renewal options.

On February 6, 2007, your Board approved an increase in the Living Wage Rate requiring that all contractors providing services under county contracts pay their employees no less than \$11.84 per hour, without health benefits, or \$9.64 per hour, with \$2.20 toward health benefits.

On December 1, 2008, Accent Landscape, Inc., notified the Department that they would be unable to continue with the remaining three option years of this contract, due to the increased Living Wage Rate. On February 6, 2007 your Board delegated authority to Department heads to execute month-to-month contract extensions on Living Wage contracts that are up for renewal, extension, or amendments during an option year, to provide sufficient time for the departments to re-bid such contracts, in the event that a contractor is unwilling or unable to adhere to the new Living Wage rates. Therefore, on December 29, 2008, the Department notified Accent Landscape, Inc., of the Department's intent to exercise the first option year on a month-to-month basis beginning January 1, 2009, for a maximum of 12 months retaining their current Living Wage Rate.

Implementation of Strategic Plan Goals

The proposed contract with the Mariposa Landscapes, Inc. (Contractor), will further the County's Strategic Plan Goals of Operational Effectiveness (Goal 1), through the provision of quality maintenance services at a savings over County of Los Angeles (County) costs, and Community and Municipal services (Goal 3), by enriching the lives of County residents and visitors by ensuring quality regional open space, recreational and public works infrastructure services for County residents, and deliver customer oriented municipal services to the County's diverse unincorporated communities.

FISCAL IMPACT/FINANCING

In accordance with County policy, the contract contains a cost-of-living adjustment (COLA) provision based on an annual rate as determined by the Chief Executive Office (CEO), whereby the Director, at his sole discretion, may increase the Contractor's compensation during the option years. The COLA adjustment rate is capped at the lesser of: the most recently published percentage change in the Bureau of Labor Statistics, Los Angeles-Riverside-Orange County, Consumer Price Index for Urban Consumers for the 12-month period preceding the contract anniversary date, or the general salary movement percentage for County employees for the 12-month period preceding the prior July 1st. The current COLA rate of zero percent was approved by the CEO on August 19, 2009.

The decision to include the COLA is based on the Department's experience that the Contractor may incur an increase in costs, such as insurance premiums, fuel, etc. during the option years, which could impact their performance. As a result, this provision allows the Director to review cost information during the option years to determine if the COLA is justified subject to approval by the CEO. The Department will comply with the newly adopted Board policy to exclude the cost of labor from the base upon which a COLA is calculated, unless the Contractor can show that his/her labor cost will actually increase.

To manage unforeseen services and emergency needs affecting the landscape maintenance areas, the Department is recommending that your Board include a provision authorizing the Director to adjust the service requirements and corresponding contract costs up to ten percent in any contract year or extension period. Examples of unforeseen service needs include increases in maintenance tasks due to special events or responses to storm damage, pest control, and emergencies, which may include responding to broken water lines, vandalism and addressing problems which affect public safety.

The Proposition A cost analysis indicates that the recommended contracted landscape maintenance services can be performed more economically by the private sector. The primary reason for the increase in the contract amount is due to the Living Wage Rate and the Cost of Living Adjustment. The total annual cost to provide landscape maintenance service is \$148,849.65 which represents the Contractor's direct cost of \$141,300 plus the Department's indirect cost of \$7,549.65. This represents an estimated savings of \$161,365.51 from the estimated annual County cost of \$310,215.16, to perform similar services for one year (Attachments I, II and III).

The Department will not request that the Contractor perform services that will exceed the approved maximum contract amount, including additional services, or services that are outside the scope of work or contract dates without the prior approval of the Board.

Operating Budget Impact

The actual annual cost of the proposed contract is \$141,300, \$22,478 or 19 percent greater than the current contract cost of \$118,822.71. Sufficient appropriation is budgeted in the Department's on-going Operating Budget to fund the cost of the recommended contract and any unforeseen service/emergency needs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The term of the contract is for two years and includes a provision whereby the Director may annually

extend the contract for up to three one-year option periods for a maximum contract term of five years. The Director may exercise options if, in his opinion, the Contractor has successfully performed in the previous contract period, the services are still required and the services remain cost effective.

The Contractor has agreed to pay its full-time employees the new Living Wage Rate approved by your Board on February 6, 2007, and confirms that he/she will comply with the County's Living Wage reporting requirements. The County's Proposition A and Living Wage Ordinance (LWO) provisions apply to this proposed contract, as County employees can perform these contracted services. The contract complies with all of the requirements of the County Code Section 2.201. The Contractor will pay its full-time employees the required \$11.84 per hour, without health benefits or \$9.64, per hour, with health benefits of \$2.20 per hour, as specified in the LWO adopted by your Board on March 15, 2007, and confirms that they comply with the County's Living Wage reporting requirements.

In compliance with the provisions of Los Angeles County Code Sections 2.121.250 through 2.121.420, this Department solicited proposals from private contractors for landscape maintenance services for the South Coast Botanic Garden.

The mandatory requirements for contracting as identified in Section 2.121.380 of the Los Angeles County Code have been met.

Contract monitoring consists of administrative and field audits and evaluations of contract performance and compliance. This includes, but is not limited to, on-site visits of the Contractor's various locations to conduct evaluations of the quality and regulatory payroll system; health benefits; evaluation to ensure that insurance documents are up to date; conducting employee interviews for the LWO, and County Jury Service Program compliance; reporting requirements, and for the purposes of maintaining an updated Countywide Contracting database.

Proposition A contracts valued under \$1 million are no longer reviewed by the County's Auditor-Controller for cost-effectiveness, as stated in their memo of October 2, 2003. Therefore, the Proposition A cost analysis was performed internally using the guidelines and methodologies consistent with the Auditor-Controller procedures.

The award of this contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. This contract contains terms and conditions supporting your Board's ordinances, policies, and programs, including but not limited to: County's Greater Avenues for Independence (GAIN) and General Relief Opportunities for Work (GROW) Programs, Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code Chapter 2.202; Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206 and the standard Board-directed clauses that provide for contract termination or renegotiation.

The California State Department of Industrial Relations, Division of Labor Standards Enforcement, has returned its report indicating no negative information on the Contractor.

The Contractor has executed the attached contract and will provide the required insurance policies prior to the start of this contract naming the County and the Department Districts as additional insureds.

County Counsel has approved the contract as to form.

ENVIRONMENTAL DOCUMENTATION

The approval of this contract is categorically exempt from California Environmental Quality Act (CEQA) in accordance with Section 15301(h) of the State CEQA Guidelines and Class 1(j) of the Environmental Document Reporting Procedures and Guidelines, adopted by your Board on November 17, 1987, because the project involves landscape and ground maintenance of existing landscaping.

CONTRACTING PROCESS

As a result of the increased Living Wage Rate, Accent Landscape, Inc., notified the Department that they would be unable to continue with the remaining three option years of this contract. Consequently, on July 6, 2009, the Department commenced solicitation for landscape maintenance services by posting a notice for Request For Proposals (RFP) on the County "Doing Business with Us" website and included a link to download the solicitation package and bilingual instructions on how to contact the Department regarding this RFP. Attachment V is a listing of contractors who are registered for landscape services on the Internal Services Department's Website and received notification of this project.

On July 21, 2009, seven companies attended the Proposer's Conference. On August 6, 2009, the Department received seven proposals. All proposals were reviewed to ensure compliance with mandatory minimum requirements outlined in the RFP. Upon a more comprehensive review, it was determined that one of the Proposals did not provide sufficient details to meet the minimum requirements, therefore only six proposals were evaluated by an evaluation committee.

The evaluation committee consisted of three Department employees. The committee reviewed each proposal for business experience, qualifications, staffing plan requirements, compliance with the Living Wage Program requirements, quality control plan and the ability to accomplish the required landscape maintenance services. The proposals were evaluated using the informed averaging methodology.

Based on the evaluation criteria and the evaluations, it is recommended that the contract for these services be awarded to the highest-rated proposal, Mariposa Landscapes, Inc.

Attachment IV reflects the Contractor's minority participation. It should be noted that upon final analysis and award, the Contractor was selected without regard to gender, race, creed, or color.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not infringe on the role of the County in its relationship to its residents, and the County's ability to respond to emergencies will not be impaired. In addition, the County has determined that it has alternative resources available in the event of a default. This contract will not result in the displacement of any County personnel, as these services are currently being performed by the private sector. Therefore, there will be no impact to existing staff or service levels.

CONCLUSION

It is requested that an adopted copy of the action taken by your Board and five fully executed copies of the attached contract be forwarded to the Department of Parks and Recreation.

Respectfully submitted,

RUSS GUINEY

{A} The contractor has indicated that they can perform the services with less full-time equivalent staff since they are performing similar services in the area. The number of County positions is based on the total number of hours divided by the annual County productive hours of 1,764.

{B} The County's and contractor's salary costs are based on full-time staff as well as a percentage of staff's time. In addition, the contractor's employees are paid more than \$5 less per hour than the County items. The contractor's salary costs are 47% of the contract costs.

{C} Contractor will not be providing health benefits to those hourly employees providing services under this contract. Therefore, as required by the Living Wage Ordinance, contractor will pay its hourly employees providing services under this contract no less than \$11.84 per hour.

{D} As indicated on Attachment II, the total costs for services, supplies, and equipment are approximately 12% of the contract costs.

{E} Contractor's indirect costs (overhead) are approximately 23% of the contract costs and are associated with the cost of management, telephone, utilities, office equipment and bookkeeping. For this contract, County's indirect costs are unavoidable.

- 3.3 Contractor shall notify the Director in writing as soon as reasonably possible on the same day of discovery of any damage due to extraordinary incidents such as Acts of God and suspected third party negligence.

4.0 TERM OF CONTRACT

- 4.1 The term of this Contract shall be for two (2) years commencing, the first day of the month following the Board of Supervisors' approval, and continuing through, unless terminated sooner or extended, in whole or in part, as provided in this contract.

- 8.3 The County's Board of Supervisors, Chief Executive Officer, or designee may require the addition of and/or change certain terms and conditions in the Contract during the term of this Contract. To implement such orders, an Amendment to the Contract shall be prepared and executed by the Contractor and the Director.
- 8.4 The Director may, at his sole discretion, authorize extensions of time as defined in Section 4.0, Term of Contract, of this Contract. The Contractor agrees that such extensions of time shall not change any other term or condition of this Contract during the periods of such extensions. To implement an extension of time, a "Notice to Extend" letter shall be prepared and executed by the Director.

9.0 STANDARD TERMS AND CONDITIONS

9.1 ASSIGNMENT AND DELEGATION

- 9.1.1 The Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of the County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-paragraph, County consent shall require a written amendment to the Contract, which is formally approved and executed by the parties. - 9.1.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of the Contractor to any person(s), corporation, partnership, or legal entity other than the

majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of the County in accordance with applicable provisions of this Contract.

- 9.1.3 if any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without the County's express prior written approval, shall be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

9.2 AUTHORIZATION WARRANTY

The Contractor represents and warrants that the person executing this Contract for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Contract and that all requirements of the Contractor have been fulfilled to provide such actual authority.

9.3 BUDGET REDUCTIONS

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's

approval of such actions. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Contract.

9.4 COMPLAINTS

- 9.4.1 Within ten (10) business days after the effective date of this Contract, the Contractor shall provide the County with its plan for receiving, responding and abating all inquiries and complaints received from the Director, County personnel, or patrons using the facilities. The County will review and approve said plan or request changes. If changes are requested, the Contractor shall resubmit the revised plan within five (5) business days for approval. Changes by the Contractor must first be approved by the County before implementation.
- 9.4.2 During the term of this contract, the Contractor shall maintain an office located in the Los Angeles Metropolitan Area. In addition, the Contractor shall maintain a telephone at the office that is listed in the telephone directory in its own name or in the firm name by which it is most commonly known.
- 9.4.3 During normal business hours, Contractor shall have a responsible employee(s) to receive all inquiries and complaints that may be received from the Director, County personnel or patrons using the facilities and take the necessary action. An answering service shall be considered an acceptable substitute to full-time coverage, provided the Contractor is advised of any complaint within one (1) hour of receipt of such complaint by the answering service. The Contractor's employee(s) responsible for providing the landscape maintenance services shall be available for notification through cell phone, answering service, beeper or electronic mail communications during normal business hours.
- 9.4.4 During normal days and hours of operation, whenever immediate action is required to prevent impending injury, death or property damage to the facilities being maintained, the County may, after a

reasonable attempt to notify the Contractor, cause such action to be taken by the County work force and shall charge the cost thereof as determined by the Director, against the Contractor, or may deduct such cost from an amount due to the Contractor from the County.

- 9.4.5 The Contractor shall maintain a written log of all complaints. The log shall include the name of the employee logging the complaint, the date and time of the complaint, the facility where the complaint is about, a description of the complaint, the name and address of the complainant, and the action taken or the reason for non-action. The log of complaints shall be submitted monthly with the Contractor's invoice and shall be open to the inspection of the Director at all reasonable times.
- 9.4.6 All complaints shall be abated as soon as possible after notification; but in all cases within 24 hours, to the satisfaction of the Director. If any complaint is not abated within 24 hours, the Director shall be notified immediately of the reason for not abating the complaint followed by a written report to the Director within five (5) days. If the complaints are not abated within the time specified or to the satisfaction of the Director, the Director may correct the specific complaint and the total cost incurred by the County will be deducted and forfeit from the payments owing to the Contractor from the County.
- 9.4.7 Contractor shall provide and maintain at its own expense an active local or toll free telephone number to make sure that emergency calls can be received. The Contractor or his/her designated person shall ensure that emergency calls can be received after normal business hours on a 24 hour, 7 day a week basis. The Contractor or his/her designee shall maintain a cell phone, answering service, beeper or electronic mail communication device to receive and respond to all calls in the event of an emergency.

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with Exhibit D, Contractor's EEO Certification.

9.7 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

9.7.1 Jury Service Program

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Contract.

9.7.2 Written Employee Jury Service Policy

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor"

as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

2. For purposes of this Subparagraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall also be subject to the provisions of this Sub-paragraph. The provisions of this Subparagraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.
4. The Contractor's violation of this Subparagraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

9.8 CONFLICT OF INTEREST

- 9.8.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such

The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Sub-paragraph shall be a material breach of this Contract.

9.9 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

9.10 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

- 9.10.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job

category to the Contractor.

- 9.10.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

9.33 PREVAILING WAGES

In accordance with the provisions of Article 2, Chapter 1, Part 7, Division 2 of the Labor Code, the State Department of Industrial Relations has ascertained the prevailing rate of per diem wages in the locality wherein the work is to be performed to be paid each craft or type of worker or mechanic needed to properly perform and complete the contemplated work. For each person so employed or engaged whether by the Contractor or any subcontractor under him who is paid at a rate less than that specified for the particular work performed, the Contractor shall forfeit to the County as a penalty the sum of Twenty-Five Dollars (\$25) for each day or portion thereof for which said person was paid less than the specified prevailing wage. The provisions of Section 1775 of the Labor Code shall be complied with by the Contractor. Wages to be paid apprentices employed or engaged in the contemplated work shall be determined in the manner provided by Section 1777.5 of the Labor Code.

9.34 PUBLIC RECORDS ACT

9.34.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to Subsection 9.36, Record Retention and Inspection/Audit Settlement, of this Contract; as well as those

documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary." The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 9.34.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret," "confidential," or "proprietary," the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in any action or liability arising under the Public Records Act.

9.35 PUBLICITY

- 9.35.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:

- a. The Contractor shall develop all publicity material in a professional manner; and
- b. During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles,

or other materials using the name of the County without the prior written consent of the Director. The County shall not unreasonably withhold written consent.

9.35.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Subparagraph 9.35 shall apply.

9.36 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

9.36.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise,

then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

9.36.2 Failure on the part of the Contractor to comply with any of the provisions of this Sub-paragraph 9.36 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

9.36.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than the payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

9.36.4 In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County contracts) to enable the County to

evaluate the Contractor's compliance with the County's Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's non-County contracts. The Contractor further acknowledges that the foregoing requirement in this subparagraph relative to the Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

9.37 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

9.38 REMEDIES/LIQUIDATED DAMAGES

9.38.1 If, in the judgment of the Director, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Director, at his option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. The work not performed and the amount to be withheld or deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the Director in a written notice describing the reasons for said action.

9.38.2 If the Director determines that there are deficiencies in the performance of this contract that the Director deems are correctable by the Contractor over a certain time span, the Director will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Director may: (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the said specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is 3% of the monthly maintenance amount or One Hundred Dollars (\$100) per day, whichever is greater and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be

deducted from the County's payment to the Contractor; and/or upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by completion of the work by an alternate source, whether it be County forces or a separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County. The action above shall not be construed as a penalty but as an adjustment of payment to the Contractor to recover County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

9.38.3 In addition to the remedies provided heretofore, this Contract may be terminated per Subsection 9.44, Termination for Default, of the Contract upon the Contractor's failure to correct deficiencies in a timely manner.

9.38.4 Contractor shall repair or replace damages according to the maintenance practices as identified in Exhibit B, Statement of Work.

9.38.5 This Subparagraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in Subparagraph 9.38.2 above, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

9.39 RIGHT OF ENTRY

9.39.1 In the event this Contract is suspended or terminated in whole or in part, by the Board of Supervisors, the Board of Supervisors may instruct the Director to assume the responsibility of said Contract, employ the necessary workers, purchase materials and supplies as may be necessary for the proper performance of the work contracted. For the purpose of satisfying and/or mitigating

damages arising from a breach of this Contract, any excess costs as determined by the Director, arising therefrom over and above the compensation set forth within this Contract, may be charged against the Contractor.

9.39.2 In the event of such suspension or termination, all moneys due to Contractor or retained as security under the terms of this Contract shall be retained by the County; but such retention will not release the Contractor from liability for failure to perform under the terms of this Contract.

9.39.3 If in the sole discretion or judgment of the Director, and in accordance with Subparagraph 9.38, Remedies/Liquidated Damages, of this Contract, the Contractor and/or its employee(s) are not properly performing the services required under this Contract, then the Contractor and/or all of its employees may be temporarily replaced by County personnel and payment to be made by the County may be suspended while the matter is being investigated. In addition, the total cost as determined by the Director, incurred by County personnel shall be deducted and forfeited from the monthly payment to the Contractor from the County.

9.40 SUBCONTRACTING

9.40.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance written approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

9.40.2 If the Contractor desires to subcontract, the Contractor shall provide the following information along with its written request to subcontractor promptly at the County's request:

a. A description of the work to be performed by the subcontractor;

- b. A draft copy of the proposed subcontract; and
 - c. Other pertinent information and/or certifications requested by the County.
 - d. The Contractor shall ensure delivery of all such documents to the Department at the address provided in Subsection 9.32, Notices, before any subcontractor employee may perform any work hereunder.
- 9.40.3 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 9.40.4 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its subcontractors of this County right.
- 9.40.5 The Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees.
- 9.40.6 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 9.40.7 In the event Director should consent to subcontracting:
- a. each and all of the provisions of this Contract and any amendment thereto shall extend to and be binding upon and inure to the benefit of the successors or administrators of the respective parties; and

- b. the Contractor shall include in all subcontracts the following provision: "This Contract is a subcontract under the terms and conditions of a prime contract with the County of Los Angeles. All representations and warranties shall inure to the benefit of the County of Los Angeles."

9.40.8 The Contractor shall obtain all Certificates of Insurance, which establish that the Subcontractor maintains all the programs of insurance required by the County, from each approved Subcontractor.

9.40.9 The Contractor shall indemnify, defend, and hold harmless County from any and all liability arising or resulting from the employment of any subcontractors and their employees in the same manner as for the Contractor's own employees.

9.41 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

9.41.1 Failure of Contractor to maintain compliance with the requirements set for in Paragraph 9.15 "Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program" shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provisions of this contract, failure of contractor to cure such default within 10 days of notice shall be grounds upon which county may terminate this contract and/or pursue debarment of Contractor, pursuant to County code chapter 2.206.

9.42 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in Subparagraph 9.14, Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the

County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Subparagraph 9.44, Termination for Default, and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

9.43 TERMINATION FOR CONVENIENCE BY COUNTY

9.43.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by Notice of Termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

9.43.2 After receipt of a Notice of Termination and except as otherwise directed by the County, the Contractor shall:

- a. Stop work under this Contract on the date and to the extent specified in such notice, and
- b. Complete performance of such part of the work as shall not have been terminated by such notice.

9.43.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with sub-paragraph 9.36, Record Retention & Inspection/Audit Settlement.

9.44 TERMINATION FOR DEFAULT

9.44.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, in the following circumstances:

- a. The Contractor has materially breached this Contract;

- b. The Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required under this Contract;
- c. The Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

9.44.2 Upon the occurrence of Subparagraph 9.44.1, this Contract shall be subject to termination. As a condition precedent thereto, the Director shall give the Contractor a minimum of three (3) days notice by registered or certified mail or personal service of the date set for termination thereof; the grounds therefor; and that an opportunity to be heard thereon will be afforded on or before said termination date, if request is made therefor.

9.44.3 Notwithstanding the above, the Director, in his/her sole discretion, may refrain from recommending immediate termination of this Contract for default if the Director, in his/her sole discretion, determines that the default is capable of being cured and (1) the Contractor cures its default within a five (5) day period after notice is given, or (2) if the default cannot reasonably be cured within the five (5) days after notice is given, the Contractor reasonably commences to cure its default within the five (5) day period and diligently and in good faith continues to cure the default. If the Contractor fails to cure the default to the Director's satisfaction, the Director shall recommend termination for default to the Board of Supervisors.

9.44.4 In the event that the County terminates this Contract in whole or in part as provided in this section, the County may procure, upon

such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. Any excess costs, as determined by the Director, arising therefrom over and above the contract sum may be charged against the Contractor. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Subparagraph.

9.44.5 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Subparagraph 9.44.4 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of a public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Subparagraph 9.43.5, the term "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

9.44.6 In the event the County terminates this Contract in its entirety due to the Contractor's default as provided in Subparagraph 9.431, the Contractor and the County agree that the County will have actual damages, which are extremely difficult to calculate and

impracticable to fix and which will include, but are not limited to, the County's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Contractor and the County agree that the County shall, at its sole option and in lieu of the provisions of Subparagraph 9.43.2, be entitled to liquidated damages from the Contractor, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year's Contract sum, whichever is less, as equitable compensation to the County for such actual damages. This amount of liquidated damages shall be either paid by the Contractor to the County by cash payment upon demand or, at the sole discretion of the Director, or designee, deducted from any amounts due to the Contractor by the County, whether under this Contract or otherwise.

- These liquidated damages shall be in addition to any credits, which the County is otherwise entitled to under this Contract, and the Contractor's payment of these liquidated damages shall not in any way change, or affect the provisions of Subsection 9.23, Indemnification.

9.44.7 In the event that, following service of the Notice of Termination of this Contract under the provisions of this Subparagraph 9.44, it is determined for any reason that the Contractor was not in default under the provisions of this Subparagraph 9.44, that the default was excusable under provisions of this Subparagraph 9.44 or Contractor has, to the satisfaction of the Director, cured any default, the Director shall issue, within five (5) business days, a rescission of the Notice of Termination, and the rights and obligations of the parties shall be the same as if the Notice of Termination had not been issued.

9.44.8 The rights and remedies of the County provided in this Subparagraph 9.44 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

9.45 TERMINATION FOR IMPROPER CONSIDERATION

9.45.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

9.45.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

9.45.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

9.46 TERMINATION FOR INSOLVENCY

9.46.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- a. Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty

(60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- b. The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- c. The appointment of a Receiver or Trustee for the Contractor; or
- d. The execution by the Contractor of a general assignment for the benefit of creditors.

9.46.2 The rights and remedies of the County provided in this Subsection 9.46 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

9.47 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

9.48 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as

of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

9.49 TERMINATION UPON TRANSFER OF TITLE, MAINTENANCE RESPONSIBILITY OR PARK CLOSURE

Notwithstanding any other provision of this Contract, the County reserves the right to transfer title, maintenance responsibility or close all or a portion of the facility described in Section 2.0, Facility to be maintained of the Statement of Work, Exhibit B to this Contract (hereinafter, "Exhibit B, Section 2.0, Facility to be covered").

9.49.1 In the event the County transfers title of the facility described in Exhibit B, Section 2.0, Facility to be Maintained, to a governmental agency (assignee), the County reserves the right to terminate this Contract or, provided there is consent by an assignee, assign the County's interest in this Contract to said assignee. The County shall provide the Contractor with notice of termination or assignment of this Contract pursuant to this provision; or

9.49.2 In the event that the County transfers maintenance responsibility for all or a portion(s) of the facility described in Exhibit B, Section 2.0, Facility to be Maintained, the County reserves the right to:

9.49.2.1 Terminate this Contract or, provided there is consent by an assignee, assign the County's interest in this Contract to said assignee. The County shall provide the Contractor with notice of termination or assignment of this Contract pursuant to this provision; or

9.49.2 Delete the transferred portion(s) of the facility from the Contract or, provided there is consent by an assignee, assign the portion(s) of the Contract dealing with the

transferred portion(s) of the facility to said assignee and reduce the Contract sum pro tanto. The County shall provide the Contractor with notice of deletion or assignment of said portion(s) of facility pursuant to this provision from this Contract.

9.49.3 In the event the County closes all or a portion of the facility described in Exhibit B, Section 2.0, "Facility to be Maintained", the County reserves the right to:

9.49.3.1 Terminate this Contract upon the effective date of such closure(s). Upon the effective date of park closures(s), the Contractor shall immediately cease its operations, and within fifteen (15) days thereafter remove all items of its personal property, equipment and inventory. The County shall provide advance notice to the Contractor of such park closure(s); or

9.49.3.2 Delete the portion (s) to be closed from the Contract and reduce the Contract sum pro tanto. Upon the effective date of park closure(s), the Contractor shall immediately cease its operations at said facility and within fifteen (15) days thereafter remove all items of its personal property, equipment and inventory. The County shall provide advance notice to the Contractor of such park closure(s).

9.50 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

9.51 WAIVER

No waiver by the County of any breach of any provision of this Contract

shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Subparagraph 9.51 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

9.52 WARRANTY AGAINST CONTINGENT FEES

9.52.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

9.52.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

10.0 COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM

10.1 Living Wage Program:

This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as Exhibit J and incorporated by reference into and made a part of this Contract.

10.2 Payment of Living Wage Rates.

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the

Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the County, including, without limitation, "Travel Time" as defined below in Subsection 5 of this Subparagraph 10.1.2, under the Contract:

 - b. Not less than \$9.64 per hour if, in addition to the per-hour wage, the Contractor contributes at least \$2.20 per hour towards the provision of bona fide health care benefits for its employees and any dependents. The Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.
2. For purposes of this Sub-paragraph, "Contractor" includes any subcontractor engaged by the Contractor to perform services for the County under the Contract. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall be subject to the provisions of this Sub-paragraph. The provisions of this Subparagraph shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual, who is an employee of the Contractor under the laws of California, and who is providing

full-time services to the Contractor, some or all of which are provided to the County under the Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

3. If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.
4. If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if the Contractor no longer qualifies for an exception to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that the Contractor continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

5. For purposes of the Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different contracts between the Contractor and the County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time.

10.3 Contractor's Submittal of Certified Monitoring Reports.

The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Contractor's current health care benefits plan, and the Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County as Exhibit K and Exhibit L hereto, or other form approved by the County which contains the above information. The County reserves the right to

request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

10.4 Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

10.5 County Auditing of Contractor Records.

Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of five (5) years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

10.6 Notifications to Contractor and Employees.

The Contractor shall place County-provided living wage posters at each of the Contractor's places of business and locations where the Contractor's employees are working. The Contractor shall also distribute County-provided notices to each of its employees at least once per year. The Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Contractor employees.

10.7 Enforcement and Remedies.

If the Contractor fails to comply with the requirements of this Subparagraph, the County shall have the rights and remedies described in this Subparagraph in addition to any rights and remedies provided by law or equity.

1. Remedies For Submission of Late or Incomplete Certified Monitoring Reports. If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding of Payment. If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until the Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report

will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

- c. Termination. The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

- 2. Remedies for Payment of Less Than the Required Living Wage. If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights or remedies:

- a. Withholding Payment. If the Contractor fails to pay one or more of its employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference

between the living wage amounts the Contractor was required to pay its employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

- b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to pay any of its employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages of \$50 per Contractor's employee per day for each and every instance of an underpayment to Contractor's employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.
- c. Termination. The Contractor's continued failure to pay any of its employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.
- 3. Debarment. In the event the Contractor breaches a requirement of this Subsection, the County may, in its sole

discretion, bar the Contractor from the award of future County contracts as described in Section 9.11.

10.8 Use of Full-Time Employees.

The Contractor shall assign and use full-time employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. The Contractor submitted with its proposal a full-time employee staffing plan. If the Contractor changes its full-time employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

10.9 Contractor Retaliation Prohibited.

The Contractor and/or its employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this Sub-paragraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

10.10 Contractor Standards.

During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the Contractor shall demonstrate to the

satisfaction of the County that the Contractor is complying with this requirement.

10.11 Employee Retention Rights

1. The Contractor shall offer employment to all retention employees who are qualified for such jobs. A “retention employee” is an individual:
 - a. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act; and
 - b. Who has been employed by a Contractor under a predecessor Proposition A contract or a predecessor cafeteria services contract with the County for at least six months prior to the date of this new Contract, which predecessor contract was terminated by the County prior to its expiration; and
 - c. Who is or will be terminated from his or her employment as a result of the County entering into this new contract.
2. The Contractor is not required to hire a retention employee who:
 - a. Has been convicted of a crime related to the job or his or her performance; or
 - b. Fails to meet any other County requirement for employees of a Contractor.
3. The Contractor shall not terminate a retention employee for the first 90 days of employment under the contract, except for cause. Thereafter, the Contractor may retain a retention employee on the same terms and conditions as the Contractor's other employees.

10.12 Neutrality in Labor Relations

The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor's

employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

11.0 ENTIRE CONTRACT

This document and the Exhibit(s) attached hereto constitute the entire contract between County and Contractor for the landscape maintenance services to be provided at the South Coast Botanic Garden. All other agreements, promises and representations with respect thereto, other than those contained herein, are expressly revoked, as it has been the intention of the parties to provide for a complete integration within the provisions of this document, and the Exhibit(s) attached hereto, the terms, conditions, promises and covenants relating to the landscape maintenance services of the South Coast Botanic Garden. The unenforceability, invalidity, or illegality of any provision of this Contract shall not render the other provisions thereof unenforceable, invalid or illegal. No change to this Contract shall be valid unless prepared pursuant to Paragraph 8.0, Changes Notices and Amendments, and signed by both parties.

Quality Control

All aspects of landscape maintenance and irrigation are attended to on a daily basis, not only with regard to performing the routing work, but also to making sure that everything is done according to specifications. This is accomplished by thoroughly briefing the foreman before the fieldwork starts on the operations, specifications and schedules necessary to be compliant in the performance of the work.

The Supervisor responsible for the crew and foreman performing the work is in daily communication with the foreman personally or by cellular phone, alpha pager or radio communications to insure that the schedule of work operations is followed in strict accordance to the guidelines of the contract. Furthermore, the Supervisor routinely inspects the job site by walking it with his foreman or crew, identifying areas of concern and keeping the Branch Manager in charge of landscape maintenance operations informed as to the condition of the sites in question. All work not in compliance in the opinion of the Supervisor will be addressed immediately through specific instructions to the foreman and crew to perform the corrective work.

Our office is open for communications from 5:30am to 4:30pm, Monday-Friday and we are available 24 hours a day through the answering service to address emergency call outs. We have a full support staff of mechanics that can respond to emergencies immediately and a depth of replacement equipment that will allow us to stay consistent with our schedules.

Note. You are encouraged to notify each employee whose wages for 2008 are less than \$41,646 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.

- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 9, 2009.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

**How Will My Employees Know If They Can
Claim the EIC?**

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2008 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2008 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2008 and owes no tax but is eligible for a credit of \$825, he or she must file a 2008 tax return to get the \$825 refund.

**How Do My Employees Get Advance EIC
Payments?**

Eligible employees who expect to have a qualifying child for 2009 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

JURY SERVICE ORDINANCE

Title 2 Administration
Chapter 2.203 Contractor Employee Jury Service

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

2.203.070 Exceptions.

B. Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.

C. Small Business. This chapter shall not be applied to any contractor that meets all of the following:

SAFELY SURRENDERED BABY LAW

Safely Surrendered

No shame. No blame. No names.

In Los Angeles County: 1-877-BABY SAFE • 1-877-222-9723

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

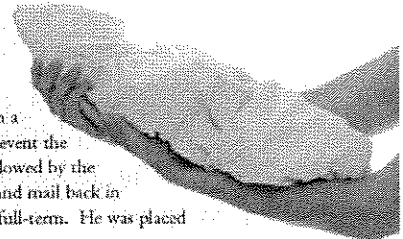

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

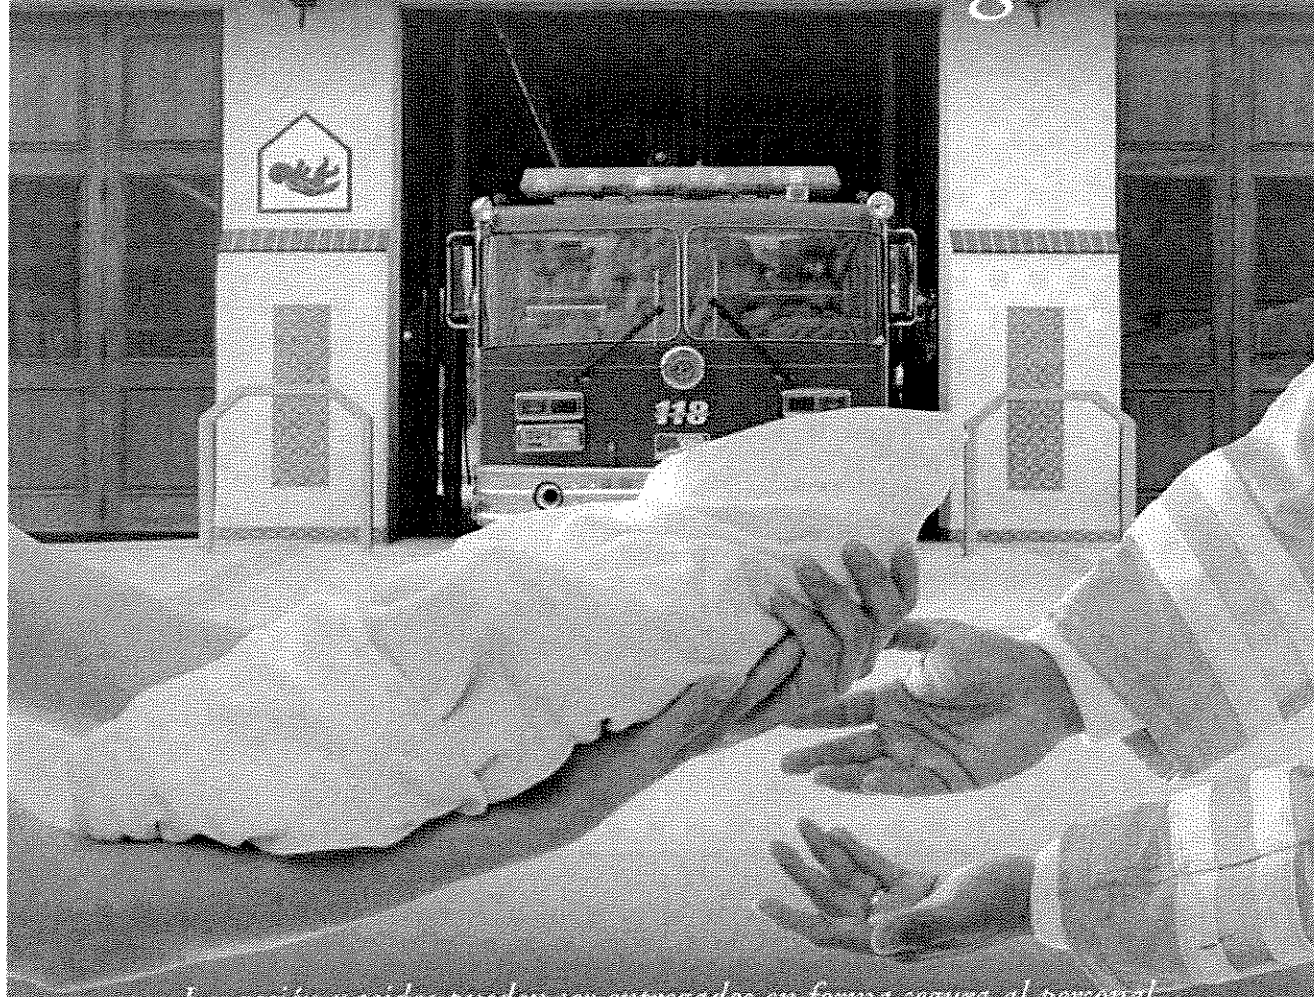

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

En el Condado de Los Angeles: 1-877-BABY SAFE • 1-877-222-9723

www.babysafela.org

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

LIVING WAGE ORDINANCE

Title 2 ADMINISTRATION

Chapter 2.201 LIVING WAGE PROGRAM

2.201.010 Findings.

The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay a living wage to their employees causes them to use such services thereby placing an additional burden on the county of Los Angeles. (

2.201.020 Definitions.

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions:

2.201.050 Other provisions.
